Who did you use?

Get on Down's

Get On Downs was the only support that fully understood the specific needs and support my child with down syndrome needed. I found other organisations to be too generic or autism focused which didn't fit

Solicitors, Get on Down. With the first EHCP Rosemary Brennan, her suggestions were legally correct but Sutton Borough disregarded them. Siass too but NOT independent!!

Did you have to pay for the support and advice?

17 responses

yes
yes larval advice no
not for advice
had to pay for diagnosis
i donated when i could

What was the reason you did not use SIASS which is a statutory service?

22 responses

wanted 1-1 service
 minutes taken were biased
 god understands down synd
 not independent service ease of access and
 rapid response
 siass they were very help not familiar with siass
 lack of expertise do not trust them quality of support
 not impartial as cognus we
 i did use siass get on downs knew me
 did i do not know about this
 because i got the help i
 they seemed too busy
 not trustworthy
