

SEND support in schools Part 2

Education, Health and Care Needs Assessment – the 20 week process

Sutton Parent Carer Forum Café

Where? Hill House, Bishopsford Road,
Morden, SM4 6BL

When? 15th March, 2022
10.00 am – 1.00pm

The Head of SEND, Amalia Banon, will be presenting a session to explain the Education, Health and Care Needs Assessment (EHCNA) process which is used to ensure the Local Authority understands the impact of your child's special educational needs on their daily life and learning outcomes.

This will include the timescales for this process, the information you need to provide, what you can expect at each point and the role of the SEND Team to support you through this process.

The session will be followed by a surgery for individual and specific issues where we can offer 15 minute appointments with any of the professionals. Please email or text us if you want to book an individual appointment
