

Preparing for Adulthood 'thinking about tomorrow'

Sutton Parents Forum Café

For parents and carers with children and young people with special educational needs and disabilities (SEND)

Where? Church of the Good Shepherd
Queen Mary's Avenue
SM5 4NP

When? 10th February, 2020
10.00 am – 2.00pm with lunch

Please join us to share your thoughts and ideas on what you hope will happen as your children are growing up and how they can be supported to prepare for adult life. We would like to understand what is working well, what could have happened differently, what your hopes and aspirations are and the help, support and advice you need to help your child get ready for becoming an adult and help you to plan for the future

This workshop is most suitable for families with a young person aged 14-25, although everyone is welcome. The session will be delivered by Ellen Atkinson from the National Development Team for Inclusion who is working with the local area to improve the pathways into adulthood for children and young people growing up in Sutton. We will be arranging further sessions to work with services to expand and improving the offer in Sutton from Health, Social Care and Education, for young people with SEND, so that we can plan for a successful transition to adulthood
